

Extended Free Entitlement (30 hours) Awards 2018

One year into delivery of the Extended Free Entitlement (FE), we would like to celebrate the fantastic work that is happening across the county. Over 5000 families benefited from this funding in the summer term and, without you, all this would not have been possible!

With this in mind, we would like to share all the good practice, and are excited to announce the Extended FE Awards 2018.

- Would you like to win **£1000** to help you develop your setting?
- Would you like a **FREE Training Subscription Package** for 2019/2020?
- And a **FREE** place on the **Developing Emotional Health and Well Being in Early Years Conference** on Friday 15 March 2019 (saving £75)?

If the answer is YES then we want to hear from you!

You can also attach up to two documents to support your application (up to 2 pages each). For example, evidence of feedback from parents, a policy document, or survey responses.

Please note: We will also cross reference provider applications against our own records, such as Free Entitlement Audits and parental complaint records and will ask for verification from your local Early Years and Childcare Advisor on the content of your application.

This is funded by the Delivery Support Fund, which is a separate pot of funding from FE. As such, this has no impact on the hourly rate.
