**We want to make some changes to the way we provide services in our community.**

In Worthing we are considering bringing together our libraries, children's services and registration services into the library building in Richmond Road. If we were to do this what else would you like to see in your community hub? Ideas could include support for young people, an outside area, better links to the museum next door, areas for start-up businesses to access and even a community kitchen.

We have set up a specially created Ideas Zone at Worthing Library until Monday 24 September.

An artist has created the illustration below with lots of ideas for what could be in a new community hub to help you decide.

Share your ideas on the tear-off slip opposite and put it into the box provided or pop along to the Ideas Zone at Worthing Library. Or, share your ideas online at [www.westsussex.gov.uk/worthingcommunity](http://www.westsussex.gov.uk/worthingcommunity) or call us on 01243 777100.

Complete this tear-off slip, detach it and then place it in the box provided.

Continue on the next page if you need more space.  
 Please tick the box if you would like to discuss your idea in more detail.
